SENATE RESOLUTION

MADAM PRESIDENT:

I offer the following resolution and move its adoption:

A SENATE RESOLUTION honoring the service and generosity of Austin "Doc" Borlik.

Whereas, Austin "Doc" Borlik sees life as an opportunity to serve others with random acts of kindness. He believes good deeds inspire kindness. Kind acts as simple as helping an elderly woman place her groceries in her trunk encourages others to do the same;

Whereas, Austin began a tradition of paying the receipts of those who drive off without paying their fill at the pump. The manager of the gas station where this tradition began was so impressed by Austin that she called his principal at John Glenn High School, William Morton, to inform the administrator of his student's "wonderful" character;

Whereas, Austin's commitment to service and high moral character has contributed to his election as class president for four consecutive years;

Whereas, Austin is a talented musician and mixing artist. He pays for his good deeds by arranging musical recordings in conjunction with lighting effects for the Granger Community
